

Let us help you
develop your career

Who we are...

Malta Freeport Terminals is a premier transshipment hub having successfully operated for over 25 years within the Mediterranean containerisation market.

Privatised in 2004 Malta Freeport now enjoys reliable and experienced shareholders providing solid foundation for further growth. Since its privatisation Malta Freeport Terminals has undertaken an ambitious investment drive totalling over €275 million in upgrading the facilities, both in terms of

infrastructure and equipment and also in the investment in manpower, which is crucial to provide the level of service requested by the customers.

Malta Freeport is a fully fledged state-of-the-art Terminal and is presently shaping optimum business strategies to sustain its prestigious standing within the Mediterranean containerisation scenario, capable of facing the next wave of challenges.

Your step in the right direction

Malta Freeport Terminals prides itself on being at the forefront of container handling technology and most advanced equipment and is constantly in search of highly motivated and skilled personnel with the relevant qualifications.

Malta Freeport Terminals offers apprenticeship opportunities to electrical, mechanical and IT students reading for the following Diplomas and Degrees:
